

You're Being Overcharged by DocuSign.

Docubee can Help.

Stop paying extra for essential features and ditch the hidden fees. Docubee gives you the same legally binding eSignatures as DocuSign with even more features to automate your contracts.

Problems We Can Help You Solve (that DocuSign Can't)

Branding Issues

Unlike DocuSign, we let you embed white-labeled signing and workflows into your apps, for a seamless signing experience.

Long Wait Times for Support

Docubee prioritizes fast, live support during business hours to keep your workflow on track.

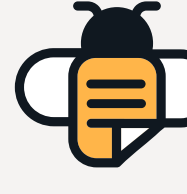

Advanced Features for All

We offer advanced features like CRM integration, file upload, and automated routing services on all of our plans, while these features are only available on DocuSign's enterprise plans.

Hidden Fees

Docubee offers transparent pricing with no year 2 price increases or hidden fees. Period.
